RE: THRIFTY CAR RENTAL, NOTICE OF DISCRIMINATORY TREATMENT, DECEPTIVE BUSINESS PRATICES, HARASSMENT AND UNWARRANTED INDUCED EMOTIONAL DISTRESS REGARDING FRAUDULENT CREDIT CARD BILLING ON CREDIT CARD ENDING IN 3501, GAS BILLING FOR \$157.00 WHEN THE GAS TANK WAS FILLED AS EXEMPLIFIED ON THE ATTACHED PICTURES AND GAS BANK CARD RECEIPT DATED AUGUST 11, 2022, RENTAL RECORD NUMBER 812345030 RENTAL DATES 08/08/22 TO 08/11/22

Dear Hertz and Thrifty Directors:

My name is Miriam Snyder. I am an educator, human rights advocate and evangelist. I rented a car from Thrifty car rental the above dates. The rental record number is overhead. I rented this car through Priceline. The rental car was prepaid. The car rental location was Detroit Metro Airport.

At the Thrifty car rental location, they took my credit card ending in 3501 and put a \$249.00 hold on my card. I was told \$200.00 was a hold to be returned and the \$49.00 was for the vehicle upgrade. The \$249.00 was released as of yesterday August 13, 2022, but was thereafter stolen.

Today, August 24, 2022 a fraudulent Thrifty bill of \$360.00 was added on the above noted credit card for the above noted fraudulent Thrifty car rental billing . The \$360.00 fraudulent billing was billed to me in addition to the prepaid Priceline payment I paid. I find this type of fraudulent billing unwarranted and harassing. I seek an investigation into the

fraudulent gas billing, stoppage of the harassment and recompense for this induced emotional distress and the time taken to regulate such.

To this end, attached you will find:

1. My bank card receipt for August 11, 2022 for \$54.77 from Canton Michigan BP gas station.
2. Pictures I took of the full tank of gas I left the car with.

I seek an investigation and termination of the employee who lied and billed me for \$157.00 for gas I had in the car. I seek the return of my \$157.00 stolen off my credit card and as compensation for this fraud I seek the removal of the additional \$203.00 billed on my credit card for double taxing and airport fee billing. Above all, I was billed an extra day for returning the car later than expected. At minimum, I should not be billed for a whole extra day because the car was returned the same day contracted.

Please make sure the fraudulent gas billing is stopped. This has a negative, sexist, racist, discriminatory and antiquated impact on consumers at large and is illegal. Please make sure I am compensated for this harassment and the misrepresentations. Please make sure this office exemplifies equal protection of the law in all of its business practices.

I have attached 3 exhibits.

In closing, make sure this does not happen again. Should further information be needed, please let me know. Please contact me in writing at the above address and email me at eslexcellence@aol.com regarding my \$157.00 refund and compensation to offset this archaic harassment that does not belong in 2022. Thank you.

Respectfully submitted,

MS
